

July 7, 2020 Primary Election

The candidates listed below have been endorsed or recommended by New Jersey Right to Life PAC. Please check your ballot and vote for these candidates if any of these names appear on your ballot.

There are several viable republican candidates running for U.S. Senate who are pro-life. This, and a number of other factors, has contributed to the decision of our PAC not to endorse in the primary for U. S. Senate at this time.

IMPORTANT UPDATE: Voting for the July 7th election will change primarily to a Vote-by-Mail Ballot system. Every registered Republican and Democrat in the state will receive a mail-in ballot, while unaffiliated voters will receive a mail-in ballot application. If you are an unaffiliated voter, your mail-in ballot application must be received by your county clerk by June 30, 2020. Postage for both ballots and applications will be prepaid, and at least one polling place in each municipality will remain open, provided there are enough poll workers.
