

**SUBJECT:** Majority Leader Please Bring the ABLE Act to the Floor for a vote!

Dear Majority Leader Kevin McCarthy:

**I'm urgently writing to ask Majority Leader Kevin McCarthy to bring the *Achieving a Better Life Experience (ABLE) Act (H.R. 647/S. 313)* under suspension next week!**

As Majority Leader, we need your leadership to bring the most bipartisan bill up for a vote. The ABLE Act has 85% of the entire congress cosponsoring it - with 74 Senators and 381 Representatives cosponsoring the bill. The ABLE Act will give individuals with disabilities and their families the ability to save for their child's future just like every other American family.

The House Ways and Means Committee unanimously voted the ABLE Act out of committee through Mark-up on July 31<sup>st</sup>. This past September, the Senate Committee on Finance held a hearing on the ABLE Act and subsequently issued a press release outlining their intention to bring the ABLE Act to a vote once Congress returns from recess and after the election.

The ABLE Act will make a life-changing difference in the lives of the disability community and is long overdue!

Thank you!

Sincerely,
